## MEMBER STORY

### MARK HAD PROSTATE CANCER

And he faced a tough decision. Surgery or radiation treatment? He called Best Doctors to help him decide which treatment would be the most effective. Best Doctors had a team of experts review Mark's condition. After carefully reviewing his case and all of his medical records, the Best Doctors Expert felt that for Mark's type of cancer, radiation was the best treatment for him. Mark could make his decision with the peace of mind, knowing that it was the best choice. Today he is well on the road to recovery.

## REASONS PEOPLE CALL BEST DOCTORS:

“

*When I found out about my illness, my family doctor referred me to several different specialists who all recommended different treatment options. I was very confused and didn't know what to do. The report I received from Best Doctors really helped me to understand my condition and decide on the best treatment option.*
